"The ultimate antioxidant support!"

SIBELIUS™

: LACTOMATO

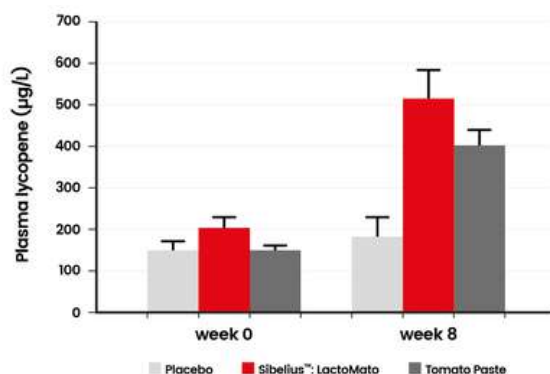

Men's natural way to vitality!

ABOUT SIBELIUS™: LACTOMATO

It is a branded, scientifically evidenced and clinically proven natural Lycopene Complex, specially developed to support cardiovascular and prostate health and promote healthy sperm function*.

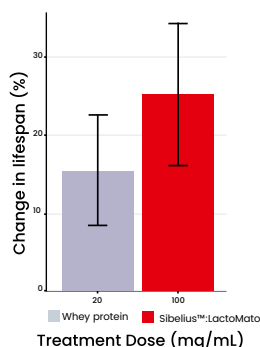

ENHANCED BIOAVAILABILITY

SIBELIUS™: LACTOMATO BIOAVAILABILITY

- After 8 weeks of supplementation, **SibeliuS™: LactoMato** was as bioavailable as tomato paste - positive control-, inducing a similar increase in plasma lycopene concentration.
- **240% more bioavailable** than lycopene from fresh tomatoes¹

CHRONOSCREEN™

Both **SibeliuS™: LactoMato** and whey protein showed a significant increase in the lifespan of *C. elegans* by 25.2% and 15.4% respectively.

INTELLECTUAL PROPERTY

Based on the highly bioavailable, proprietary formulation, **3 patents** have been granted for **SibeliuS™: LactoMato**.²
